ILLUMINATION SYSTEMS

OPEN AND READY TO HELP

Illumination Systems is fully operational and ready to help you keep your projects moving forward. Please let us know how we can help. We will be reaching out to set up virtual presentations to keep you as up to date as possible. If there are any specific products or manufacturers you would like more information on, please contact your Illumination Systems rep and we will be happy to set that up for you. Well wishes to you and yours from all of us at ISI.

Upcoming CEU's - Join us next week!

Need CEU credits? We've got you covered! Please join Illumination Systems on Thursday, April 2nd, and Friday, April 3rd!

Thursday April 2nd, 2020 12pm MST / 11am PST

ISI Welcomes FSC and Mirus

ISI is happy to announce we have added FSC Lighting & Mirus Lighting to our linecard!

www.fsclighting.com

www.miruslighting.com

Mirus Lighting is closely aligned with our partner company, FSC Lighting. When you work with Mirus Lighting, you not only have access to our catalog of energy-efficient LED lighting fixtures, you also have access to FSC lighting's entire product catalog.

That means as a Mirus customer, you can address a wider range of lighting applications than ever before, through our partnership and expanded product catalog. FSC Lighting customers also have reciprocal access to Mirus Lighting's product catalog.

Work with Mirus Lighting or FSC Lighting. It's your choice. Either way you'll have access to the energy-efficient lighting industry's leading team, and leading products. ([-miruslighting.com](http://miruslighting.com))
